Further to your email dated 31 August 2022,

We have no way of defending this claim as the photo clearly shows that you were trying to merge on to the main road from the turn right lane. The bus in this case would have had the right of way and as such we would have had the greater duty of care. We would look to accept fault on this one and settle the third party's claim in full. Please advise us whether you agree with our position.

Should you have any queries or require any additional information, please contact **Manpreet Mann** directly on **03453003391**.

Yours sincerely

NIG Claims Team
